RADIO CONTROLLED CAR RACING WORKSHOP

Sundays, April 20, 27 and May 4

SRS Tennis Courts on Princeton Ave.

For grades 2nd—5th, 1:00-2:30 pm

For grades 6th and over, 2:30-4:00 pm

A series of three workshops will be offered to provide hands on education and fun for all interested in radio controlled car racing. You will learn important safety aspects of the sport using 1/10 scale four wheel drive electric touring cars and will have the opportunity to tune, modify and race the cars on a marked course. Participants will be divided into teams, which will maintain and race a car.

No prior experience is necessary. Cars and all materials will be provided by SRA, the Swarthmore Radio Controlled Auto Club, and Team Associated.
Coordinator: Andrew Armour 610-955-9824

Registration Fee: \$45

The Swarthmore Radio Controlled Auto Club is a member of the Remotely Operated Auto Racers (ROAR), which is a non-profit national corporation that promotes safety and fairness in RC auto racing. The workshop has been created and will be run by Andrew Armour, MSME, with over 25 years experience in RC cars.

CANCELLATION OR REFUND POLICY

We reserve the right to close registration or cancel an activity at any time. A late fee of \$10 will be charged after February 29th.

Cancellation and refund policy: you may receive a refund if you cancel in writing before the first day of the activity; the refund will be minus \$10 for an administrative charge.

SNOW DAYS

If school is closed because of snow or ice, all SRA activities will be cancelled for that day. This would also be true if school is dismissed early because of poor weather. When it snows on the weekend, check the SRA voice mail at 610 - 715 - 0647 or the web site for the notice of cancellation.
