SRA Summer Camp Volunteer Counselor Application process:

Every year SRA receives more applications than it has positions for the volunteer camp counselor. SRA will use the following process to select volunteer counselors from what is generally a highly qualified pool of applicants.

- The applicant must be a rising 8th grader or above for the upcoming school year.
- Applications must be postmarked by February 15th to be considered.
- SRA aims to select an even distribution of female and males.
- All interested individuals must complete an application and return it to SRA along with an essay about the applicant, detailing the applicant's experience and their reasons for wanting to be a volunteer camp counselor.
- The primary consideration used to select volunteer counselors is the applicant's experience caring for children. This includes experience as a babysitter, camp counselor, coach, reading buddy and/or tutor, playing leadership roles in children's youth groups or clubs, etc.

For interested applicants entering 8th grade or above, please fill out an application and send it along with your essay by February 15th to Swarthmore Recreation Association, Attn: Summer Camp, P.O. Box 235, Swarthmore, PA 19081.
