

SRA is looking for a high school student to serve as a Jr. Board member for 2 years. The selected individual will have the opportunity to serve on the SRA board, participate and vote in decisions as well as get involved in the financials and budgeting of the programs.

This is an excellent opportunity to get involved in the local recreation activities, contribute to the decision-making and growth of SRA, while learning the behind-the-scenes work involved in a non-profit organization.

**Criteria:**

- Candidates must be a high school sophomore residing in the WSSD school district (position will start fall of Junior Year)
- Must have had experience in the SRA programs as a participant, employee, coach or volunteer to be considered and should describe this experience in an essay to be included with the application
- Must complete the SRA Junior Board Member program application and return it with the essay by June 1<sup>st</sup>
